RE: Formal Application to revise certain nonrecurring charge

Dear Mr. Derouen,

This is an application to revise a certain nonrecurring charge for Eastern Rockcastle Water Association. Attached is the nonrecurring charge cost justification and the proposed tariff sheet.

Eastern Rockcastle Water Association is not requesting a water rate increase at this time. However, increased costs attributable to certain nonrecurring charges can no longer be absorbed by the Association. The customers affected by this increase will be the customers that cause the Association to incur this additional expense. Additional revenues to be generated will not exceed 5% of the total revenues provided by all miscellaneous and nonrecurring charges for the past 12 months.

The Association has previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance sheets are currently on file with the Commission.

The Association will publish the enclosed public notice of the requested rate revision in the local newspaper for three consecutive weeks. We will follow up with an affidavit from the newspaper verifying that the notice was published for three consecutive weeks.

A copy of this application and related filings has been sent to the Office of the Attorney General.

Sincerely,

Tony Bullock
Board President
